AIRPORT SOLUTIONS

Our 200 airport specialists

meet all the development needs of your platforms, throughout their **entire life cycle** and benefit from the consulting, engineering and project management resources of the international multidisciplinary Artelia Group (**more than 10,000 employees in over 40 countries**).

For decades, Artelia has been involved in the development of major airports (Paris, Dubai, Beijing, Copenhagen, etc).

Artelia is now supporting the **airport industry** (operators, airlines, general contractors, financial institutions, etc) to create, extend and modernise facilities both at the heart and the periphery of airports. Our Group also actively contributes to the implementation of **Green Airports**.
